COVID INSTRUCTIONS :

As the pandemic of COVID-19 has been broken out it is very much important for the company to follow the guidelines issued by ministry in this regard.

In the last 10 years of AGM maximum attendance company has seen is 32 members and average attendance at AGM comes to 25 persons inclusive of Board Members and Auditors/Invitees.

As the company has enough space at the new registered office transferred before the AGM. It will be convenient for the company to arrange and conduct AGM with social distancing norms in the era of covid-19.

Further the company has applied for permission with necessary authorities for holding AGM.

Entry without mask is not permitted. Further the temperature of the member will be measured at venue and in case of fever will not be allowed to attend AGM.

Further as the company does not have email of majority of shareholders in numbers in the record so it would not be beneficial for the company to arrange AGM through VC (Video Conferencing) or OAVM (other Audio Video Visual means).

Notes :

1. ANNEXURE A
MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS :

Financial Year 2019-20 was a depressed year for the Global Economy.

World production of Aluminium during the year 2020 seen a drastic fall due fall in demand of automobile and capital goods. Sector.

Further spread of Corona in China from January 2020 worsens the situation.

The virus and the accompanying quarantine measures have since chilled economic activity, representing a short-term demand shock for the world's aluminium market.

It's why the London Metal Exchange (LME) aluminium price sank to a three-year low of \$1,685 per tonne at the start of February.

The fear is that China's aluminium smelters will keep churning out metal even as the country's demand implodes.

Since China is the world's largest producer of primary aluminium, accounting for 56% of global output last year, this could have huge ramifications.

At the same time, China's complex production logistics chain is undergoing massive stress and a supply shock is building upstream.

OPPORTUNITIES AND THREATS :

The principal user segment in India for aluminium continues to be electrical and electronics sector followed by the automotive and transportation, building, construction, packaging, consumer durables, industrial and other applications including defence. Demand of aluminium in India is expected to grow at 7-8 per cent per annum and this will be driven by growth in sectors like electricity, transport, building, construction and packaging.

The Government of India is expected to invest highly in the infrastructure sector, mainly highways, renewable energy and urban transport, during the coming years. During Union Budget 2019-20, Government of India has allocated 4.56 lakh crore (USD 63.20 billion) for the sector, which includes development of post and telecommunications departments, Railways, road transport and highway, Green Energy Corridor Project, wind and solar power projects, telecom infrastructure, water supply and healthcare. All these massive investments are likely to boost Aluminium demand in the near future.

The Aluminum Market was valued at \$147.2 billion in 2018, and is expected to reach \$189.8 billion by 2026, registering a CAGR of 3.2% from 2019 to 2026. Aluminum is an electronegative metal, which possesses strong affinity for oxygen. It is the sixth most ductile and second most malleable metal present on earth. It is exceptionally light having 2.7g/ccm density, is impervious to dust, possesses high degree of conductivity, and exhibits significant strength when alloyed. It is widely used in food &

packaging and pharmaceutical industries, as it is nontoxic in nature, preserves food for prolonged times, inhibits growth of microorganisms. Aluminum is good electrical conductor and thus is used frequently in electrical transmission lines. In addition, it is used as primary propellant for solid rocket booster motor in space shuttle due to its high volumetric energy density. Corrosion resistance, reflectivity, and recyclability are other characteristics of Aluminum, which makes it a favorable choice for various industrial applications.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE :

The company is working in single segment further no Operating income was reported during the year by the company.

OUTLOOK :

The Domestic Demand for aluminium in India is expected to benefit from the Infrastructure projects prioritized by the government. The government's thrust on the power which sector is the dominant consumer of aluminium in India, augurs well for the aluminium industry. The Automobile and food packaging industries are also expected to stoke aluminium growth. Furthermore, rapid urbanization should augment consumer demand, yet another positive for the sector. Moreover the per capita aluminium consumption is far below the global average. This offers a huge potential, given our demographic and economic outlook.

RISK AND CONCERNS :

Risk may be defined as the possibilities that an event (anticipated or unanticipated) can adversely affect the business objective and goals. At Palco Metals Ltd, risk governance reconciles estimation, control and quantification through an institutionalized approach, which include consistence implementation and monitoring, supplemented by audits. The management conducts regular to arrest the abnormalities. Currency exchange rates could undergo changes with the Indian rupee turning volatile for most part of the year. This could have a potential impact on the export earning of the company. The company is conscious of the impact of the volatile movement. Hedging is done wherever is necessary and forward cover are taken to mitigate probable risks. The company has adopted conservative policy in booking the unfavorable impact of exchange fluctuation. Prudential accounting norms are followed in line with the accounting standard.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY :

The Company has adequate internal control system in operation commensurate with the size and nature of its business for enduring efficiency of operation and protection of Company's assets. The Audit Committee formed by the company review on periodical basis the compliance with the company's policies, procedures and prevailing laws. Audit findings are closely reviewed by audit committee along with management response. The committee also reviews the effectiveness of company's internal control and their effectiveness on actual operation and regularly monitors implementation of audit recommendation. The system ensures effective utilization of company resource and protections of assets from loss, theft, misappropriation and relevant risks. Further

company has approved the Nomination and Remuneration policy for paying remuneration to Board of Directors and KMP.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE :

The Company has not reported any operational income during the year. The salary and other administrative expenses were met from the other income generated during the year. The company is looking for different avenues and opportunity for generating operating revenue.

HUMAN RESOURCES :

The Company's philosophy is to provide to its employees friendly working environment and a performance oriented work culture. The company believes that human resources are important asset for giving Company a competitive edge in a competitive environment.

Independent Auditor's Report

To the Members of
PALCO METALS LIMITED
Ahmedabad.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of PALCO METALS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that

give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2020;
- b) in the case of the Profit and Loss Account, of the profit for the year ended on that date.
- c) In case of Cash Flow Statement, of the Cash Flow for the year ended on that date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined no matters to be the key audit matters to be communicated in our report.

Due to outbreak of COVID-19 globally and in India, the company's management has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

We draw attention of the Management Representation Statements, which describes that based on current indicators of future economic conditions, the Company expects to recover the carrying amount of all its assets & revenue recognized. The impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions. Our opinion is not modified in respect of this matter.

Due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. With the limitation of physical travel and social distancing advice, We have adopted alternate approach for obtaining substantive evidence. Our opinion is not modified in respect of this matter

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Annexure-B to the Auditors' Report referred:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Palco Metals Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditor's Report

To the Members of
PALCO METALS LIMITED
Ahmedabad.

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated IND AS financial statements of PALCO METALS LIMITED ("the Company"), which comprise the Consolidated Balance Sheet as at March 31, 2020, and Consolidated the Statement of Profit and loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether consolidated the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS

financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2020;
- b) in the case of the consolidated Profit and Loss Account, of the profit for the year ended on that date.
- c) In case of consolidated Cash Flow Statement, of the Cash Flow for the year ended on that date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined no matters to be the key audit matters to be communicated in our report.

Due to outbreak of COVID-19 globally and in India, the company's management has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

We draw attention of the Management Representation Statements, which describes that based on current indicators of future economic conditions, the Company expects to recover the carrying amount of all its assets & revenue recognized. The impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions. Our opinion is not modified in respect of this matter.

Due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent

upon circumstances as they evolve. With the limitation of physical travel and social distancing advice, We have adopted alternate approach for obtaining substantive evidence. Our opinion is not modified in respect of this matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Annexure-B to the Auditors' Report referred:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Palco Metals Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

BASIS OF PREPARATION

The Consolidated financial statements have been prepared in accordance with the IND AS and relevant provisions of the Companies Act, 2013.

The accounts are prepared on the historical cost basis.

Uses of Estimates

The financial statements have been prepared using estimates and assumptions, whenever necessary ,in conformity with the recognition and measurement principles of IND AS . Estimates and underlying assumptions are reviewed on ongoing basis and revisions, if any, in such estimates are accounted for in the year of revision.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP (Indian GAAP) and use that carrying value as the deemed cost of property, plant and equipment.

Fixed assets and depreciation

Fixed assets are shown at the historical cost. The value of goodwill is shown at cost price.

However, Goodwill is amortized earely during the year.

Taxes on Income

Current tax is determined on the basis of the amount of tax payable on the taxable income for the year. Deferred tax is recognized, subject to the consideration of prudence in respect of deferred tax assets, on timing differences between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Basis & Principles of Consolidation

Consolidation of the accounts with the subsidiary is done in accordance with the Ind AS 110. The consolidated financial statements comply in all material respects with Indian

Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards)Rules, 2015 and other relevant provisions of the Act. These consolidated financial statements are presented in Indian Rupees (Rs.), which is the Parent Company's functional and presentation currency. The consolidated financial statements have been prepared on a historical cost basis except Defined benefit plans - plan assets measured at fair value. The consolidated financial statements relate to its subsidiary Palco recycle Industries Limited(PRIL), proportion of Ownership is 64.72%. Subsidiary are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

Manner of Consolidation

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Ind AS 12, 'Income Taxes' applies to temporary differences that arise from the elimination of profits and losses resulting from intercompany transactions.

Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of Property, plant and equipment are shown at cost, less accumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprises its cost of acquisition inclusive of inward freight, import duties, and other non refundable taxes or levies and any cost directly attributable to the acquisition / construction of those items; any trade discounts and rebates are deducted in arriving at the cost of acquisition. Gain or losses arising on disposal of property, plant and equipment are recognized in profit or loss.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP (Indian GAAP) and use that carrying value as the deemed cost of property, plant and equipment.

Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a written down value ("WDV") basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the schedule II to the Companies Act, 2013, whichever is higher. The details of estimated life for each category of asset are as under.

Sr. No.	Asset	Estimated useful Life (in years)
1	Factory Buildings	30
2	Other Buildings/Flat	60
3	Plant & Machineries (Rolling Mills)	30
4	Furniture & Fixtures	10
5	Vehicles / Heavy Vehicle	30/08
6	Electric Installation	10
7	Computer / Server	03/06
8	Office Equipment	05
9	Other Equipment	15
10	Laboratory Equipment	10

Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Net realizable value is derived at market rate. Cost includes direct materials and labour and a proportion of manufacturing overheads but excluding excise duty and sales tax paid thereon.

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of The goods have been passed to the buyer, usually on delivery of the goods. The company collects sales Taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of Liability arising during the year.

Foreign currency translation

Foreign currency transactions and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign Currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The company has no obligation, other than the contribution payable to the provident fund. The company operates defined benefit plans for its employees, viz, gratuity. The costs of providing benefits under these plans are determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for both defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss. The Company does not have policy of leave encashment and hence there is no liability on this account.

Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount Expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted In India and tax laws prevailing in the respective tax jurisdictions where the company operates. DT the tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and Accounting income originating during the current year and reversal of timing differences for the Earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or Substantively enacted at the reporting date. Deferred income tax relating to items recognized Directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing difference deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Segment reporting

As the company's business activity, in the opinion of the management, falls within a single primary segment subject to the same risks and returns, the disclosure requirements of IND Accounting Standard (AS) – 108 “Segment Reporting” notified under the Companies (Accounting Standards) Rules, 2006 are not applicable.

Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable To equity shareholders (after deducting preference dividends and attributable taxes) by the Weighted average number of equity shares outstanding during the period. Partly paid equity shares Are treated as a fraction of an equity share to the extent that they are entitled to participate in Dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, Bonus element in a rights issue, share

split, and reverse share split (consolidation of shares) that has changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of 12 months or more and also includes margins against borrowing, guarantees.

Operational Creditor Association

Our subsidiary company Palco Recycle Industries Limited has lost a battle in supreme Court for recovery of debt. It is not possible to fight alone by Palco Recycle Industries Limited. To safeguard the interest of the company, the board of Palco Metals Limited advised to form unregistered association named as Essar Association Fund (held in Trust). Palco Metals Limited having financial transaction for contribution received and expenses incurred on behalf of the unregistered association.
